ITISABOOM! Wichita Now Sailing High

RUSHING TO THE FRONT ALONG **ALL LINES!**

That She Will Be the Greatest City in Kansas No Longer a Doubt.

Two New Railway Lines, Packing Houses, Livestock Market, Grain Elevators and Flouring Mills, New Buildings, New Enterprises and Rapidly Increasing Trade.

tunce?

Owners and business men of Wichita. The very thing which they have all along deprecated and seemingly really dreaded. Another boom is on. Wildcat addia big boom is on. It is felt in the imup and down and along every street.

The conviction, originally inspired of the evident superior chances and advancity, as exploited, explained and urged now profitably employed by her wholesal- and particularly the Hotel Hamilton and by the Eagle for years, in the first instance, proved a staying conviction and one that has never weakened, and such every reverse, the result was inevitable. There was only wanting the opportunity

of tin , and the time transpiring the oppor mity did not fail. The institu- grow. tions that were founded, the interests that were projected, and the enterprise a mocking memory. None of these are

her foundation and stability, Wichita's interests continued to reach out beyond anticipated limits, and there being no longer either empliness or idleness expansion and growth became inevitable.

Homes are being built, factories, shops interests continued to reach out beyond lous quarters, and Wichita finds herself solidity and permanence as the never

shops at Wichita, nor is it boistered by is as John Jacob Aster made it—get in the recent determination of the Prisco early, buy and hold. I hold."

A Kentucky estate owns a piece of Railway company to extend the Midland property in this city which people have He was as bedly scared as I was " from Wichita to Sapulpa and to the coal tried repeatedly to buy and without suc fields, nor yet is it a boom founded on cess. It is not for sale at any price. interest will soon be in full operation at holding.

this point, nor on all these combined. When the hard times were pinching It is of an inevitable and logical growth, their sharpest, the eastern property owndirectly traceable to the advantages of He had invested originally in Wichita environment, to the advantages coming in the belief that the west must as a of her distance from any and every other natural matter of course and developpossible rival city, advantages attributed that the population would necessitate to our facilities as a terminal and initial and provide for likely great centers. trunkline rallway station, all these con- Wichita, he believed, would be one of tributing to a commercial dominancy of them. suyer has begun to arrive, and the hom chaper from this time on will have

The head of one of the biggest corpora tions in the United States recently sent a relative of his to Wichits with instructions to buy for investment, saying: "Wichita is the next big city in the west. Buy and hold."

Coincident with this the building boom nust grow space, and rapidly. The building era which has been gathering force for the last four years, commencing with the completion of the Scheetz building right after McKinley's election and now spread out into every portion of the business portion of the city, will shortly beome of astounding proportions. It must follow three channels. The first is the matter of dwelling houses. Every rental agency in the city has been reporting for three months a scarcity of houses to rent, and this in the face of the fact that hundreds and hundreds of dwellings have been built. The pressure of demand must, per force quicken this line of wholesale and manufacturing plants, dinary moment which has been so rapid and marked in Third, there is now on a demand for more ess blocks, and from store keepers county, the neighboring countless high rents, which is denied by property adjoining states and territories.

owners. At all events there is no exact.

Two Hot Things

That will make home comfortable on a COLD DAY

"Buck's" Hard Coal Base Heater and Soft Coal Hot-Blast Heater

The Two Best Heating Stoves Made.

Gets all the heat there is in the coal-nothing goes up the chimney but smoke. We sell them and guarantee them to be all we claim them to be; produces the same heat with less coal or more heat with less coal than any stove on the market. Come in and examine the "Buck."

We're receiving new Furniture, Carpets, Mattings, etc., every day. If you need anything in

Furniture, Carpets, Rugs, Mattings

You can hunt throughout the entire west and you'll not find as large and fine a stock as ours, and our prices are unmatchable anywhere. Prove the truthfulness of this statement before you buy. If you do, we'll sell you your Farniture, Stoves, Carpets, etc.

Rockers and Easy Chairs

We buy Rockers by the car load. Have a handsome line of fine Parlor, Sitting Room and Library Chairs, all kinds, all styles, all prices.

Rattan Rockers

We just received two hundred beautiful Rattan Rocking Chairs which were bought especially for Street Fair and Carnival week, but were delayed in shipment and arrived too late for that event. This rocker is substantially built, of handsome design, fine enough for any room, and a regular \$5.50 value. We will sell this chair, while they last, delivered to any railroad station in Kansas or Oklaho- \$405 ma at - -

We know that you would buy this chair if you could see the picture of it, but unfortunately we have no cut of this particular chair. Take our word for it—you'll not be disappointed. Carpets Don't forget that we have the Carpet stock of the city, and that our prices are considerably lower than any other house in Wichita or Kausas for like quality.
